Norm Bartlett reported that we have \$2200 in the treasury. We finished last year with 62 members. Average meeting attendance was 35 and we gave out five \$35 gift cards to members. The 50/50 drawing brought in \$116 to the club and to some lucky club members. The Woodworkers Shop donated several items for the meeting raffles.

### SHOW & TELL:

Lee Gatzemeyer had two handmade planes that he discussed.

Russ Marie had photo's of Cabinet and Pantry he built for a customer. The Cabinet was made using Chestnut wood and the Pantry was made using Oak wood.

Norm Bartlett showed his Snowman Intarsia that he made for the annual family reunion. Looks like everyone signed it as well.

John Goodnough had a balancing Valentine Arrow— a really neat display item.

Carl Palow discussed his Tree Bud and the Saw Handle Walking Stick.

## **MAIN PROGRAM:**

Doug Cobb gave a presentation on Scraper Sharpening and how to use a Scraper. He also discussed Plane Blade Sharpening. Once you understand how to tune up that old plane on your bench, it will become one of your favorite tools.

Thanks for another great program, Doug
