

Peoria Area Woodworkers - Sept 2011 meeting notes

The next meeting is at Liberty Hall, October 19 at 6:30pm. This meeting will consist of the 2x4 contest projects. So bring your stuff.

Since we had a mix up on the meeting schedule last month, the membership decided to schedule all meetings next year at the Woodworker's Shop in Pekin. Jayson Snyder invited us to use his facilities full time. This helps in the coordination of the sound system, the projector and the library because they will always be used at the same location. We realize that this may be a long drive for some, but it is the best location available at this time, plus you can do some shopping before the meeting.

Norm reported about \$1600 in the treasury. It was also noted that our income has dropped due to almost all members being over the age of 65. We may have to adjust our dues schedule in future years. Norm is still collecting dues—bring you payment to the meeting or mail it to Norm at 1017 S Maxwell, Peoria, IL 61607.

Dave Esme gave a short report on the club web site. The club agreed to go ahead with the project. Dave will review his work after the meeting on Oct 19. Cost to the club is around \$125 per year.

We really need someone to help out taking notes and pictures at the meetings, otherwise the news letter will be really short this spring because Paul will be in Arizona. This is not a hard job, the club needs your help.

Show & Tell:

Mark Padesky with a beautiful child's sled and a very funny story.

Dave Grog and a very nice flag case as a memorial to his father

Bill Wiese and some of his first wood turnings

Program:

Mort Sill gave a nice slide presentation on his approach to dust collection in his shop and some of his recent projects including a very nice cherry writing desk. Thanks for the show, Mort.
