

## Peoria Woodworkers Club Feb 2012 meeting

Next meeting will be at the Woodworker's Shop March 21 @ 6:30pm

**This** month's meeting was held at Liberty Hall and consisted of the annual tool sale and swap meet. The next meeting program is Luthier/ Guitar building presented by Gary Bray.

Norm reported \$1400 in the treasury. Thirty six members were present and Carl Nerstead won the 50/50 drawing. Three new members joined the club this evening: Mike Taylor, Lester Ruckle and John Timerman.

Russ Marie reported that the Woodworker's Shop will have an open house the first or second weekend in March. Jayson offered to set up a table at the open house where we could promote our club.

Contact Norm Bartlett if you can help man the table—697-4341

### Show and Tell:

A.J. Gatzemeyer had photo's of two Baby Gates that he had made for friends with a two year old boy and another boy due in May.

Russ Marie had 4 photo's of his latest dust collection system which used a cyclone separator before the pleated paper filter. He has used the system for over a week and there is little or no saw dust in the filter/clear bag.

John Freimuth brought two samples of Crotch wood from a Cherry tree he had cut down. Contact John if you are interested in some highly figured Crotch wood.

Carl Palow had a scale model of a Squirrel Stool he made. The actual Stool had 8 foot long legs made from 1 inch diameter conduit. The dang Squirrels still managed to climb the slick steel legs.

### **Main Program:**

The Main Program was a tool sale by various club members. Russ Marie, Mark Padesky, Gene Lair, and Doug Cobb had tools for sale. Also, Dave Ensmire had Wood Working magazines to give away.

Special thanks to AJ Gatzemeyer and Norm Bartlett for providing news letter information.
