

Woodworker's Club Meeting
Wednesday, October 19th @ 6:30 PM
The Woodworker's Shop, East Manito Rd., Pekin.

***** As of press time, we are still looking for an agenda for the October meeting *****

We should come up with something but are still looking for ideas and suggestions for future meetings. If you have a virtual shop tour, a tool or process you would like to see demonstrated please bring these ideas to the meeting on the 19th. If you have something we can use for the October meeting email me at PAWSecretary@gmail.com

Make sure to bring all your show and tell items and I look forward to seeing everyone.

September 16 Meeting Notes: President, Khalid Mohammad called the meeting of 29 members to order. Jim Seelye reported on the success of the Marigold project and presented the proceeds of \$1,270 to Crittenton CEO Jeff Gress.

Jeff thanked all of the membership for their efforts and participation at Marigold and gracefully accepted some of the unsold items to be sold at Crittenton's "Festival Of Trees" benefit November 20 thru 22. This event will be held at the 1st Federal Life Together facility at Sheridan and War Memorial in Peoria.

Business Meeting: Treasurer Norm Bartlett has reported the sum of \$2254.14 in the club's savings account and an additional \$34.28 in checking. Those figures reconciled with the CEFCU statement dated 09/12/2015.

Norm noted that he is collecting annual club dues of \$20. See him at the next meeting or mail a check made payable to the Peoria Area Woodworker's Club c/o Norm Bartlett, 1017 S. Maxwell Rd., Peoria, IL 61607-1046. If you have questions, please call Norm at 309-697-4341.

Woodworker's Shop Event: Jason Snyder announced The Woodworker's Shop will be having an open house the 2nd weekend of November and he has invited us to participate as we have before. There will also be a "silent auction" with the proceeds going to St. Judes. *Jason asked that everyone bring their donations to the October meeting.*

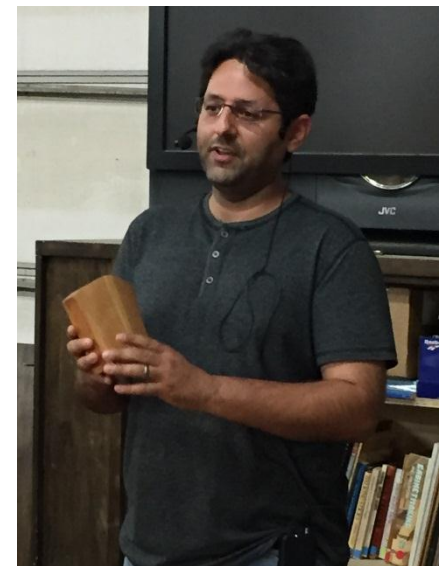

Drawings: Mark Kiesel was the lucky winner of the 50/50 drawing and Khalid Mohammad won the \$35 Woodworker's Store Gift Card.

Show & Tell:

A.J. Gatzemeyer: A. J. brought in one of his beautiful clocks, this one made of pine. Another fine Arts & Crafts design.

Khalid Mohammad: Kahlid brought in a cherry vase he fashioned referencing an article from Woodsmith magazine.

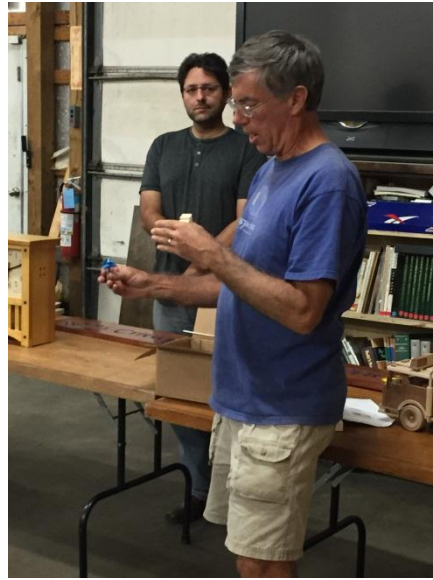

Rich Espe: Rich brought in an extremely well detailed “hook and ladder” truck. The truck was modeled in Maple and Walnut and took over a month to make. Details came from a “Toys and Joys” pattern. Great job Rich!!

Peoria Area Woodworker's Club Newsletter 2015-September

Les Linton: Les brought in the sign he made for the Marigold festival booth made on his new CNC machine. Still working the bugs out, but getting pretty good results.

Mark Pedesky: Mark brought his recently acquired and tested locking miter bit set. It may not have been as fool-proof as advertised but with some "getting used to it," good to excellent joinery can be achieved. Set-up, material size, testing and adjusting are all critical.

Program: Russ Marie put on an excellent presentation showing the features and benefits of using the Kreg, pocket hole joinery systems. Russ noted that glue is most often unnecessary using the Kreg system.

Peoria Area Woodworker's Club Newsletter 2015-September

Screw projecting is a critical consideration when using the system in situations where a screw can pop through the face of the joined piece. Russ uses small Formica sample chips to set up his system which helps to eliminate that headache. As with most of our processes, test on scrap before getting to the “good stuff”.
