

**Woodworker's Club Meeting**  
**Wednesday, April 20<sup>th</sup> @ 6:30 PM**  
**The Woodworker's Shop, East Manito Rd., Pekin.**

The April meeting will feature Gene Lair. He will be giving a short presentation on two projects he is working on. A woven rattan clothes hamper and a doll house kit he is building.

**March 16 Meeting Notes:** President, Khalid Mohammad called the meeting of March 16th to order. We had a great turn out for our first "road trip" in a while. 40 members attended.

**Business Meeting:** Treasurer Norm Bartlett has reported the sum of \$2,579.47 in the club's savings account and an additional \$21.60 in checking. And as usual, those figures reconciled with the CEFCU statement dated 3-12-2016.

**Drawings:** There was no 50/50 or gift card for this meeting.

**Len Shelton of Probotix** in Peoria gave an in depth tour of his facility and a lengthy sit down of the how and why of CNC in today's home workshop. Len has gone from working in his basement to the facility he is in now, and is looking to expand into a new facility that will allow him to enhance the flow of his work.

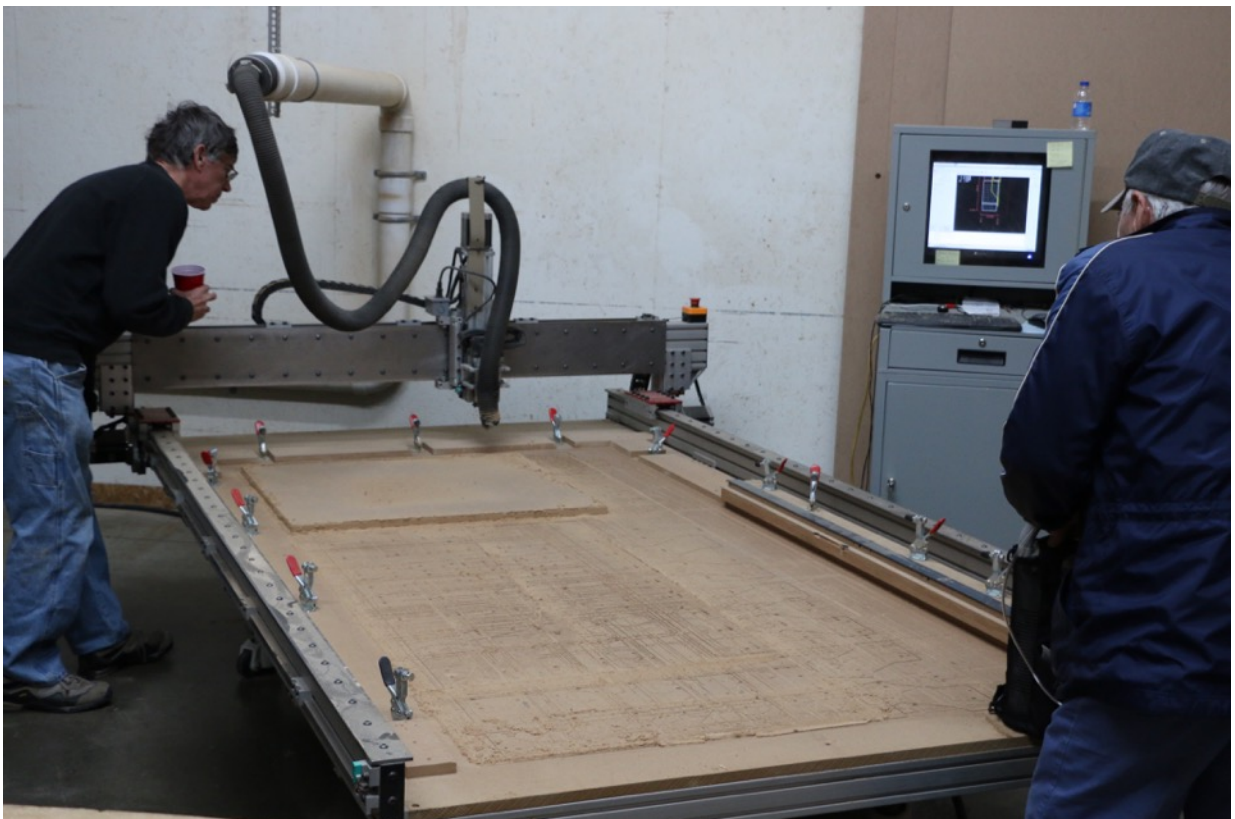

As someone who has owned and build two different CNC machines, this was a very informative and educational presentation.

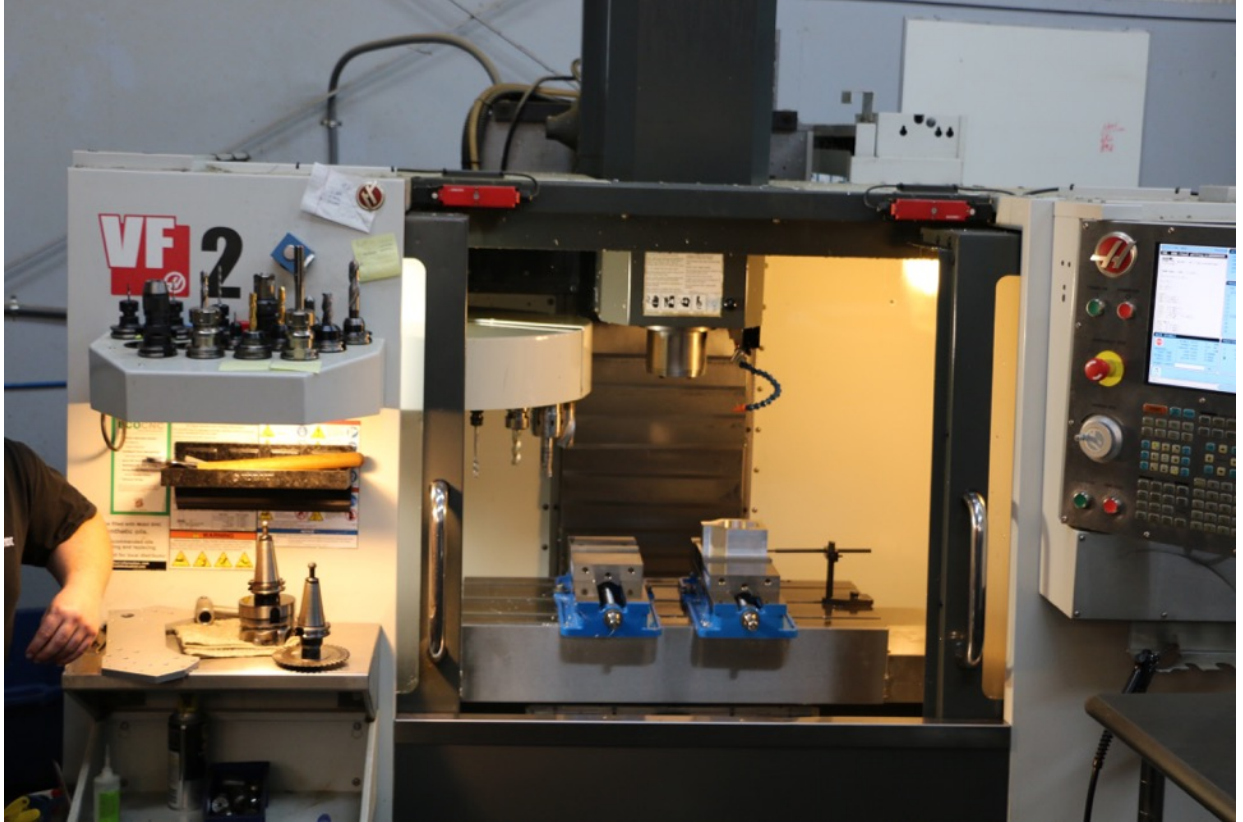

As always we are looking for ideas and help with meeting presentations. I'll ask again for you to bring your ideas to the meeting. If you would like to do something to show your skills, hobby or passion let us know.

See everyone on Wednesday.

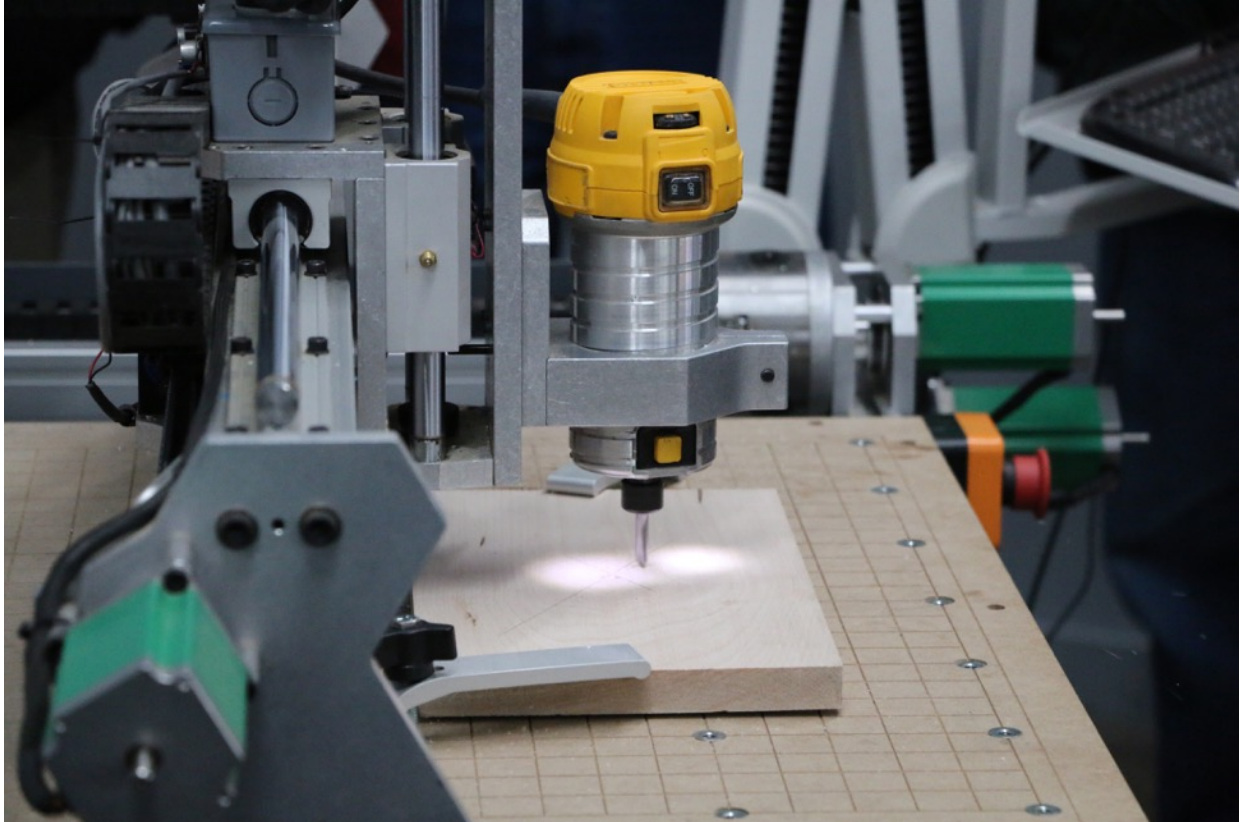

Don't forget to bring your show and tell items!!

**Len Shelton, Probotix**
