

**Woodworker's Club Meeting**  
**Wednesday, September 20th @ 6:30 PM**  
**The Woodworker's Shop, East Manito Rd., Pekin.**

**September 20th Meeting Notes:** President, Les Linton called the meeting of September 20th to order.

**Business Meeting:** Treasurer Norm Bartlett forwarded the CEFCU statement and has reported the sum of \$2,286.04 in the club's savings account and an additional \$86.51 in checking. And as usual, those figures reconciled with the CEFCU statement dated 9/9/2017.

**New Business:**

- **Planning committee:** (5) people volunteered for the planning committee: Dave Lawson, Les Linton, Dale Elliot, Jim (I didn't get the last name). The committee is constantly looking for ideas, please contact any of these folks or any of the officers if you have suggestions for programs or want to volunteer to do a program.

**Drawings:** Show and tell \$25 gift card was won by Jim Seelye. The 50/50 drawing was won by Dave Lawson. The \$35 gift card was won by Bill Weise.

42 members attended.

**Show and Tell**

**Carl Miller:** ring boxes made from walnut. The top was cut and glued back with splines creating an interesting visual look.

**Larry Coggins:** brought 2 bowls, turned

from Norfolk island pine.

**Denny Dukes:** band-sawn fish from basswood, no, it's not a bass.

**Jerry Wallis:** train set made 18 years ago!  
Used different types of wood to bring color to the train without using stain.

**A.J.Gatzmeyer:** Allis-Chalmers tractor whirligig, A.J. used PVC sewer pipe to make the blades, he flattened them with heat gun.

**Don Kalmes:** (top) walnut table, started working on it in 1995! Used plans from American woodworking magazine. (right): lacrosse stick with an embedded steel rod for weight.

## Peoria Area Woodworker's Club Newsletter 2017 - September

**John Goodenough:** 3D cutting board made with walnut, maple and cherry. John will demonstrate his process in the October meeting.

**Jim Seelye:** chip carved clock

## Peoria Area Woodworker's Club Newsletter 2017 - September

**Mark Padesky:** wood stands for ceramic photo transfer art. Built variety of designs using different species of wood. The orientation of the grain is crucial for the function of the piece.

**Mark Kiesel:** shelves for holding essential oil bottles.

## Peoria Area Woodworker's Club Newsletter 2017 - September

**Louis Knife:** picture frames made from pine and stained to a dark finish.

### **Program:**

Russ Marie presented a program showing the techniques he used to build his box. He used the bandsaw along with jigs to get the desired results. Russ shared lots of great tips when it comes to gluing the box, such as pre-finishing the inside of the box (before cutting the side pieces) and using his favorite green tape to help with assembly.
