

**Woodworker's Club Meeting
Wednesday, June 20th @ 6:30 PM
The Woodworker's Shop, East Manito Rd., Pekin.**

February Meeting Notes: President, Les Linton called the meeting of June 20th to order.

Business Meeting: Treasurer Norm Bartlett received a CEFCU statement and has reported the sum of \$2,099.16 in the club's savings account and an additional \$48.37 in checking. And as usual, those figures reconciled with the CEFCU statement dated 6/14/2018.

Old Business: No meeting in July.

New Business: It was suggested and agreed to submit the club information to 50 Plus News and Reviews magazine.

Marigold festival: bring the bird houses to the meeting and we'll try and collect them for the festival.

Drawings: Show and tell \$25 gift card was won by Jim Seelye. The 50/50 drawing was won by Michael Brown. The \$35 gift card was won by Jason Snyder. There was 36 members present.

Show and Tell

Vic McDonald: Brought a moose he built using a pattern from a magazine. It's made from pine shop scraps and painted with latex paint.

Peoria Area Woodworker's Club Newsletter 2018 - June

Jim Seyle: brought bird houses he built using douglas fir, started from 2x12 construction lumber that was resawn to 3/8". Used rubber bands instead of clamps to hold the house together while the glue sets up and spray painted it.

Carl Miller: he was really busy in the shop! He brought bowls made from spalted maple, a turned box made from cherry burl, a cutting board from shop scraps and a serving tray.

Jake Lessen: showed a ring box made from purple heart on the outside and figured maple on the inside.

Denny Dukes: Denny brought a chess set he made using his bandsaw. The board was very unique and it had a rustic look achieved by using slices from birch branches.

Mark Padesky: built a clamming basket, perfect for harvesting fruits and vegetables. Made from poplar.

Program

Carl Miller did a wonderful presentation on saw sharpening. He provided a handout with lots of information including a link to a youtube video library on sharpening:

<http://www.vintagesaws.com/library/library.html>

Carl explained the differences between a rip saw and cross cut saw. Shared his technique for setting the teeth. He explained what makes a good saw vise and talked about safety while working with the saw in the vise.
