Drawings: Show and tell \$25 gift card was won by Les Linton. The 50/50 drawing was won by Darrell Moore. The \$35 gift card was won by Del and Janice Leudtke. There was 39 members present.

Show and Tell

Les Linton: made a "picture" frame for his 50th high school reunion. He used his CNC router to do most of the work but still faced few challenges getting the lettering in the right spot.

Vic McDonald: made a moose, this time the moose is smiling. Vic came up with the design himself.

AJ Gatzemeyer: AJ brought a birdhouse to donate for the Marigold Festival sale. Being AJ he built 10 houses!

Lee Gatzemeyer: Brought boxes with inlaid tops as an experiment. Lee used the Dremel with the router attachment to remove the material for the inlay.

Larry Coggins: Larry brought a cedar birdhouse that he's donating for the Marigold Festival sale. He designed so that the bottom can be removed for cleaning. He made 2 birdhouses and a bat house.

Jerry Wallis: Jerry made lots of pens. He used lots of interesting materials such as 50cal shell, swamp cedar, olive wood, bird's eye maple and deer antlers.

Denny Dukes: brought another beautiful intarsia piece that he designed. This time, he made a dragon, using multiple species of wood for color (bloodwood, rosewood, cedar, holly, ebony, walnut and maple).

Andy Kosirog: built a birdhouse that looks like a hand plane to donate to the Marigold Festival sale.

Tom Dougherty: brought a birdhouse the he built for the Marigold Festival sale. He also passed around pictures of a very nice tool cabinet he built from cherry and birch using plans from Woodcraft.

John Goodenough: John built a birdhouse with the help of his daughter. He's donating the birdhouse for the Marigold Festival sale.

Program:

Tom Robertson explained the process and methods he used to build the pie carrying boxes. He shared lots of techniques such as using masking tape (as little bit as possible) to keep the miters together during glue up. He used a router sled to safely cut grooves for the splines he later installed. He topped it with a simple yet interesting inlay using 1/2" plug cutter. Many thanks to Tom for not only doing the program this month but also bringing pie to share with the club few months ago.
