

**Woodworker's Club Meeting  
Wednesday, April 17th @ 6:30 PM  
The Woodworker's Shop, East Manito Rd., Pekin.**

**October Meeting Notes:** President, Les Linton called the meeting of April 17th to order at 6:30PM.

**Business Meeting:** Treasurer Norm Bartlett received a CEFCU statement and has reported the sum of \$2,154.28 in the club's savings account and an additional \$101.52 in checking. And as usual, those figures reconciled with the CEFCU statement dated 4/13/2019.

**Old Business:** mouse trap car competition was brought up again as a suggestion for a club challenge. John Keen will help put together the rules for the competition along with volunteers, then present to the club. The Marigold Festival was brought up and there wasn't a lot of interest to participate this year. It was agreed to revisit the topic in an upcoming meeting to finally decide whether the club should participate.

**New Business:** none

**Drawings:** 50-50 was won by Tim Wilcoxon. The \$25 gift card for show and tell was won by John Keen. The \$35 gift card was won by David Oakes.

**Show and Tell:**

**A.J. Gatzemeyer:** A.J. used the TV to show what he's working on. He's in the process of building many mantle clocks. He quickly realized that he needs to cut 365 boards. Being the inventor that he is, he made his own power feeder for his bandsaw to speed up the process.

**Vic McDonald:** Vic brought a moose that he cut on the scroll saw. He created the pattern himself out of 19 individual pieces. He used super glue to glue them together.

**Gene Lair:** made a squirrel feeder using a glass jar.

**Jim Seelye:** made a scroll saw ornament in preparation for his class reunion (80th). He's planning on making 45 ornaments in total.

**Russ Marie:** made a very handy jig for measuring angles on stairs. The jig is adjustable and can capture any angle.

### **Program:**

Carl Miller put together a great presentation on hand planes. He brought a sample from his 500+ hand planes collection. He told very entertaining stories including one about his Stanley no 1. He explained the history of Stanley and the different generations of hand planes. Many thanks to Carl for sharing his passion with the club.
