

**Woodworker's Club Meeting
Wednesday, May 15th @ 6:30 PM
The Woodworker's Shop, East Manito Rd., Pekin.**

May Meeting Notes: President, Les Linton called the meeting of May 17th to order at 6:30PM.

Business Meeting: Treasurer Norm Bartlett received a CEFCU statement and has reported the sum of \$2,130.83 in the club's savings account and an additional \$22.92 in checking. And as usual, those figures reconciled with the CEFCU statement dated 5/11/2019.

Old Business: the planning committee reported out on planned meeting topics, included battery plus rep, challenge, dust collection, sketchup and finishing.

New Business: none

Drawings: 50-50 was won by Les Linton. The \$25 gift card for show and tell was won by John Freimuth. The \$35 gift card was won by David Keen.

Show and Tell:

Les Linton: Les brought a replica trophy he made for the Springfield bike club. He built 6 and they've asked for 9 more.

Danny Duke: Danny used his scroll saw to make a chess set. The set was very intricate and was finished with brush on poly.

Peoria Area Woodworker's Club Newsletter 2019 - May

Jason Clayton: Jason was busy, made a jewelry box with book matched top, a toy truck, a helicopter, a tractor and a wagon!

John Freimuth: brought a ratcheting candle holder that he made a long time ago and found it in a thrift shop.

Tim Wilcoxon: Tim made a kaleidoscope from maple that was originally large timbers and cherry accents. He made a prototype using pine.

Mark Padesky: brought a tilt-top table based on the design from a similar table his parents own.

Peoria Area Woodworker's Club Newsletter 2019 - May

Jim Seelye: Jim spends some of his time with the woodcarving club. He shares his projects with the club regularly. This week he brought a chip carving and wood burning pieces he made.

Lee Gatzemeyer: Lee made dining table models

A.J. Gatzemeyer: A.J. previously shared with the club (using the TV) the power feeder he made to cut the pieces for the clock frames he was making. This month A.J. brought over the power feeder mechanism and showed some of the modifications he made since then, including adding a fan to keep the motor cool.

Tom Robertson: Tom brought a segmented bowl turning that he made with cherry, poplar, walnut and spalted beech.

John Goodenough: made a box to help him keep things organized in his shop.

Program:

We had a special guest from (oddballgallery.com), Kieth Williams. Kieth specializes in making wooden balls out of solid wood and plywood. He uses triangles that are glued together to form a ball. Kieth explained his process using pictures and videos. He was very gracious and answered all the questions.
