February Meeting:

At this writing, a meeting agenda has not been determined. If you would like to show a how-to method or other woodworking related information let Khaled or myself know. Contact information is at the bottom of the newsletter. Thanks

Lee Gatzemeyer did a presentation on hand cut inlay methods using different methods

Les Linton showed how inlay and veneering can be done with newer technology and methods

Inlay and veneering have been used in woodworking and art for centuries. Techniques, materials and methods may have changed but the intrigue of doing it remains!

Vic McDonald

Vic brought in a very intricate Christmas scroll sawn cross that shows his skills and attention to detail.

Vic McDonald

And if the cross wasn't enough to show the quality of his work, he wowed us with an out of this world Intarsia catfish.

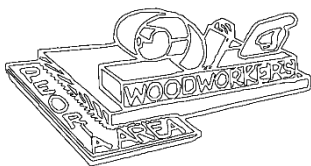

Marty Wagner

Marty brought in a Walnut steering wheel for his MG.

Brian Berchtold

Brian brought in two of his segmented urns. While I didn't write down the number of pieces these show the detail of using small pieces. Maple, Walnut, Cherry & Ash

Brian Berchtold

Brian also brought in a couple pieces he produced for Christmas using his CNC
