Wall Hanging French Cleat System

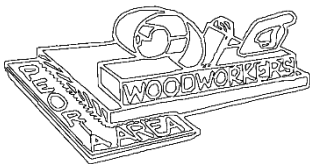

Dave Lawson

As has happened to others, Dave had some technical issues trying to put together a formal presentation on French Cleat systems for your walls.

Dave was able to review some of the basic how and why of using the cleat systems, going over their use and spacing. Dave has assured me that we will be working together to put a more complete presentation for an upcoming meeting

Look forward to “French Cleat Systems 2.0” at an upcoming meeting!!
