Some of the Club Members

Russ Marie helped Jason out again this year by demonstrating the Micro Jig products using his Saw-Horse

### Russ Marie

Russ was going to demo Micro Jig products for the Woodworkers Shop Expo and thought to practice he would just build an awesome Micro Jig saw-horse.. So, he did!!

### Les Linton

Les brought in some of the laser cut, hand painted Christmas ornament he made for family.

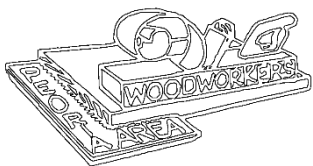

### Bill Wiese

To keep grandkids busy, Bill cut a lot of scrap into blocks of different sizes. While actually very simple, they keep the kids busy and intrigued.

### Jake Lessen

Jake brought a project out of the cobwebs and finished it. An extremely well build night stand. Great fit and finish Jake
